1.0 DESCRIPTION

The U.S. Embassy in Manila requires services necessary in performing preventive maintenance (PM) and repair of one (1) Otis Elevator installed at the Chancery Building identified in Attachment 1, in safe, reliable and efficient operating condition and in accordance with manufacturer's specifications and work statements described herein. All replacement parts and consumable materials will be provided by the US. Government

The contract type is a firm fixed price contract for Scheduled and Unscheduled Maintenance Services paid at the monthly rate below. These rates include all costs associated with providing elevator maintenance services in accordance with manufacturer's warranty including materials, labor, insurance (see FAR 52.228-4 and 52.228-5), overhead and profit.

The contract will be for a one-year period, with three (3) one-year optional periods of performance.

2.0 PRICING

All prices shall be submitted in Philippine currency (PESOS).

2.1. Scheduled Maintenance Services

In consideration of satisfactory performance of all routine maintenance services and minor repair and replacement work described in this contract, the Contractor shall be paid a firm fixed-price amount for scheduled maintenance services. The rate(s) shall include all costs associated with providing elevator maintenance and repair services in accordance with manufacturer's warranty including labor, overhead and profit.

2.2. Unscheduled/Emergency Maintenance Services

The Contractor shall provide Unscheduled/Emergency Services outside the regular working hours when requested by the COR through a written work order. Each work order shall specify the description of work, location and when it will be performed. Oral orders may be requested, however, they shall be confirmed in writing on the next working day from the oral introduction.

2.3 Value Added Tax

VALUE ADDED TAX. Value Added Tax (VAT) is not applicable to this contract and shall not be included in the Invoices because the U.S. Embassy has a tax exemption certificate from the host government.

The U.S. Government is exempt from payment of taxes as a qualifying entity under Section 3 (b)(3) of Revenue Regulations No. 6-97 dated January 2, 1997. In accordance with this regulation, all sales made by Contractors or supplies to the U.S. Government are subject to zero (0%) rate and are, therefore, not subject to the value added tax.

3.0 NOTICE TO PROCEED

After contract award and submission of acceptable insurance certificates and copies of all applicable licenses and permits, the Contracting Officer will issue a Notice to Proceed. The Notice to Proceed will establish a date (a minimum of ten (10) days from date of contract award unless the Contractor agrees to an earlier date) on which performance shall start.

CONTINUATION/ADDENDUM TO SF-1449
SCHEDULE OF SUPPLIES/SERVICES, BLOCK 20
DESCRIPTION/SPECIFICATION/WORK STATEMENT

1.0 SCOPE OF WORK

The U.S. Embassy in Manila requires the Contractor to maintain the elevator identified in Attachment 1, in safe, reliable and efficient operating condition at all times. The Contractor shall provide all necessary managerial, administrative and direct labor personnel, and as well as all necessary transportation, equipment, tools, repair parts, supplies and materials required to perform inspection, maintenance, repair, and component replacement as required to maintain the elevator in accordance with the manufacturer's specifications. The Government will provide all replacement parts and consumables required for the maintenance and repair of the equipment. In the event of equipment breakdown, every effort shall be made by the Contractor to immediately restore the elevator in operating condition. Under this contract the Contractor shall provide:

- the services of a trained elevator mechanic on a weekly basis to check and repair equipment operation and perform scheduled and preventive maintenance;
- 24 hours/day, 7 days/week emergency response service;
- appropriate, same day, service in response to an elevator malfunction trouble call; and
- after-hours emergency minor adjustment callback service

2.0 HOURS OF PERFORMANCE

The Contractor shall schedule all routine maintenance and repair work during normal building hours which are defined as 7:30 a.m. to 4:30 p.m., Monday through Saturday, excluding Philippine and American holidays, unless otherwise specified. Work to be performed during Saturdays shall be coordinated with the Contracting Officer's Representative (COR) at least a day in advance.

3.0 ACCESS TO GOVERNMENT BUILDINGS AND STANDARDS OF CONDUCT

3.1 General. The Contractor shall designate a representative who shall supervise the Contractor's elevator mechanics and be the Contractor's liaison with the U.S. Embassy/Consulate. The Contractor's employees shall be on-site only for contractual duties and not for any other business or purposes. Contractor employees shall have access to the elevators' hoistways, lobbies and machine rooms, either with or without security escorts, only with specific permission by either the Contracting Officer or the COR.

3.2 Personnel Security. The Government reserves the right to deny access to U.S owned and U.S.-operated facilities to any individual. The Contractor shall provide the names, biographic data and police clearance on all Contractor personnel who shall be used on this contract prior to their utilization. The Government shall issue identity cards to approved Contractor personnel, each of whom shall display his/her card(s) on the uniform at all times while on Government property or while on duty at private residences serviced under this contract. These identity cards are the property of the Government. The Contractor shall return all identity cards when the

contract is completed, when a Contractor's employee leaves this contract, or at the request of the Government.

3.3 Standards of Conduct

- 3.3.1 General. The Contractor shall maintain satisfactory standards of employee competency, conduct, cleanliness, appearance and integrity and shall be responsible for taking such disciplinary action with respect to employees as may be necessary. Each Contractor employee shall adhere to standards of conduct that reflect credit on themselves, their employer, and the United States Government. The Government reserves the right to direct the Contractor to remove an employee from the worksite for failure to comply with the standards of conduct. The Contractor shall immediately replace such an employee to maintain continuity of services at no additional cost to the Government.
- 3.3.2 Uniforms and Personal Equipment. The Contractor's employees shall wear clean, neat and complete uniforms when on duty. All employees shall wear uniforms approved by the Contracting Officer's Representative (COR). The Contractor shall provide, to each employee and supervisor, uniforms and personal equipment. The Contractor shall be responsible for the cost of purchasing, cleaning, pressing, and repair of the uniforms.
- 3.3.3 Neglect of duties shall not be condoned. This includes sleeping while on duty, unreasonable delays or failures to carry out assigned tasks, conducting personal affairs during duty hours and refusing to render assistance or cooperate in upholding the integrity of the worksite security.
- 3.3.4 The Contractor shall not condone disorderly conduct, use of abusive or offensive language, quarreling, and intimidation by words, actions, or fighting. Also included is participation in disruptive activities that interfere with normal and efficient Government operations.
- 3.3.5 Intoxicants and Narcotics. The Contractor shall not allow its employees while on duty to possess, sell, consume, or be under the influence of intoxicants, drugs or substances which produce similar effects.
- 3.3.6 Criminal Actions. Contractor employees may be subject to criminal actions as allowed by law in certain circumstances. These circumstances include but are not limited to the following actions: falsification or unlawful concealment, removal, mutilation, or destruction of any official documents or records or concealment of material facts by willful omission from official documents or records; unauthorized use of Government property, theft, vandalism, or immoral conduct; unethical or improper use of official authority or credentials; security violations; organizing or participating in gambling in any form; and misuse of weapons.

- 3.3.7 Key Control. The Contractor shall receive, secure, issue and account for any keys issued for access to buildings, offices, equipment, gates, or other areas, for the purposes of this contract. Keys shall not be duplicated without the COR's approval. Where the Government determines that the Contractor or its agents have duplicated a key without permission of the COR, the Contractor shall remove the individual(s) responsible from performing work under the contract. If the Contractor has lost any such keys, the Contractor shall immediately notify the COR. In either event, the Contractor shall reimburse the Government for the cost of rekeying that portion of the system so compromised.

4.0 WORK REQUIREMENTS

4.1 General. The Contractor shall provide full service to meet routine maintenance requirements. The Contractor shall maintain elevators so that the elevators are in a safe and efficient operating condition at all times. In the event of a break down, the Contractor shall make every effort to immediately return the elevator to an operating condition.

4.1.1 DELIVERABLES

The Contractor shall provide the following submittals within the time frames identified:

SUBMITTALS	DELIVERY DATE
1. Preventive Maintenance Schedule (Par. 5.2)	7 calendar days from receipt of NTP
2. Completed Preventive Maintenance Checklist	Upon completion of maintenance work
3. Certification	Upon completion of Annual PM Inspection
4. Transition Plan (Par. 14.0)	15 calendar days after award

4.2 Summary of Services - Traction and Winding Drum Elevators

To maintain the designated "Traction" type elevators, (including geared, gearless, DC drive and AC drive machines), and "Winding Drum" type elevators in accordance with the manufacturer's specifications, the Contractor shall perform all of the following services:

Examine, clean, lubricate, adjust, repair, and replace:

- elevator machines,
- motor generators,
- solid state drives,
- controllers,
- selectors,
- dispatcher & relay panels and parts thereof, including:
- hoisting motors,
- selector motors,
- worms & gears,
- bearings,

- rotating elements,
- brake magnet coils,
- brushes and commutators,
- brake shoes,
- brake linings & pins,
- windings & coils,
- contacts & relays,
- resistors & transformers,
- and solid state devices;
- keep guide rails properly lubricated except where roller guides are used;
- repair or replace guide shoe gibs or rollers;
- replace inoperative position indicator and car/hall call lamps;
- repair or replace control cables;
- examine clean, lubricate, adjust, repair or replace the safety devices including interlocks, door closers, buffers, overspend governors, car & counterweight safeties, limit switches, landing & slowdown switches, door protective devices and alarm bells;
- replace wire ropes and equalize the tension of the hoisting ropes;
- examine, evaluate, and when needed, regroove or replace all sheaves and sheave assemblies, including drive sheaves, governor tension sheaves and compensating sheaves;
- examine, lubricate, adjust, repair and replace car & corridor operating stations, car & corridor hangers & tracks, door operating devices, door gibs and car fans;
- clean elevator machine rooms, hatch equipment, rails, inductors, relaying devices, switches, buffers, and car tops;
- dismantle, clean, examine, replace worn parts, lubricate, reassemble, and adjust brake plunger assemblies;
- refasten/resocket the hoisting ropes, using the babbitt socketing method procedure, on an annual basis for winding drum machines located over the hoistway or on a 2-year basis for machines located below or at the side of a hoistway.
- provide "emergency service" assistance defined in 6.2 to correct major elevator problems occurring after normal working hours.

5.0 SCHEDULED ROUTINE MAINTENANCE

5.1 General

5.1.1 The objective of scheduled routine maintenance is to eliminate or minimize elevator malfunction, breakdown and deterioration. Contract maintenance of the elevator must assure continuous, safe, and satisfactory operation of all elevators, their parts and components. The Contractor shall schedule routine maintenance to

include all tasks herein described, in addition to routine lubrication and adjustments.

5.1.2. Elevator equipment shall include, but is not limited to: controllers, selectors, worm gears, thrust bearings, brake magnet coils, brake shoes, brushes, windings, commutators, rotating elements, contacts, coils, resistors for operating and motor circuits, magnet frames, cams, car door and hoistway door hangers, tracks and guides, door operating devices, interlocks and contacts, pushbuttons, pumps, pump motors, operating valves, electronic tubes, electronic programmable controllers, hall lanterns and indicators, hatch lighting, pit bulbs, bulb replacement and all other elevator signal accessories.

5.1.3 The Contractor shall inventory, supply, repair and replace all parts that have become unsafe due to wear and tear. The Contractor shall use genuine manufacturer's parts or approved or equal (to be approved by COR) for all replacements. The Contractor shall maintain an easily accessible supply of spare parts sufficient for normal maintenance and expedient emergency repairs.

5.2 Checklist Approval - The Contractor shall submit to the COR a schedule and description of the scheduled routine maintenance tasks which the Contractor plans to provide. The Contractor shall prepare this schedule and task description in a checklist format similar to the one provided in Attachment 2. The Contracting Officer or COR must approve the proposed "Scheduled Routine Maintenance Task Checklist" prior to contract work commencement.

5.3 Minimum Requirements - The Contractor shall provide a trained mechanic to inspect and service the elevator a minimum of once a week, every month of the year. The elevator mechanic shall sign off on every item of the checklist. The elevator mechanic shall leave a copy of this signed checklist with the COR or the COR's designate following that week's routine maintenance visit. This weekly inspection and servicing shall include, but not be limited to, the following tasks:

- Ride all cars to detect and repair any improper operation of the car doors, hoistway doors, acceleration, leveling accuracy on the floor stops, and the action of the machine brake;
- Check and make necessary repairs to assure proper operation of retractable doors;
- Review elevator's performance with the COR, or the designated representative, to determine if any malfunctions have occurred in connection with the operation of the cars since the most recent previous scheduled routine maintenance visit;
- Investigate any malfunctions which have occurred, devoting special attention to any problem involving unsafe operations, and make repairs as necessary;

- Examine car stations and call buttons and replace any damaged switches, burned out lamps, bulbs and broken buttons, defective fixtures, switches, covers, and related hardware;
- Trouble shoot any failure to equipment, lighting and receptacle electrical circuits;
- Report findings to the COR or the COR's designee including identification of failed equipment and reason for failure;
- Leave signed and dated copy of the Maintenance Checklist and also leave signed and dated copies of any other monthly, quarterly or annual checklists if those were completed during the subject visit;
- Maintain emergency light units in operable condition.

6.0 TROUBLE CALL RESPONSE SERVICE

6.1 General. The Contractor shall provide "around-the-clock" service coverage for elevator trouble calls as described below *and which are not excluded by paragraph 8.0 below*.

6.2 Emergency Response Service - The Contractor shall provide, at no extra cost, a 24 hours/day, 7 days/week, 52 weeks/year coverage for emergency trouble calls. A trained mechanic shall be "on call" and shall be on site within a one-hour time period of the placement of an emergency trouble call by the Contracting Officer or COR. Emergency situations include people trapped in an elevator car, the suspicion/confirmation of a fire in or around elevator equipment, or an inoperative elevator with no suitable backup.

6.3 Non-Emergency Response Service - The Contractor shall provide, at no extra cost, a non-emergency response service. A trained elevator mechanic will be on site, within one working day, to trouble shoot and repair an elevator malfunction.

6.4 Callback Service - When an elevator which was previously worked on by the Contractor's mechanic, has a repeat malfunction within a 24-hour period, the Contractor shall be obligated to provide, at no extra cost, a return visit by a trained elevator mechanic to correct the problem, even if the problem is minor in nature. The elevator mechanic shall respond to this callback within a three-hour time period regardless of what time the Contracting Officer or COR made the callback complaint, including the "after hours" time periods.

7.0 PERSONNEL, TOOLS, REPAIR PARTS, MATERIALS AND SUPPLIES

The Contractor shall provide trained elevator mechanics with the appropriate tools and testing equipment for scheduled maintenance, unscheduled repairs, emergency repairs/assistance, safety inspection, and safety testing as required by this contract. The Contractor shall provide all of the necessary repair parts, materials and supplies to maintain, service, inspect and test the elevators as required by this contract.

8.0 EXCLUSIONS

The Contractor shall not assume responsibility for the following items of elevator equipment, which are not included in this contract:

- Car enclosures and related items including, but not limited to, fixed or removable panels, door panels, car gates, plenum chambers, hung ceilings, light diffusers, fluorescent tubes, dry cell batteries, handrails, mirrors, floor coverings, carpets and other architectural features and accessories;
- Buried caissons, cylinders and piping, and power supply feeder circuits to the machine room circuit breakers;
- Computer and microprocessor devices not exclusively dedicated to the elevator equipment such as terminal keyboards and display units;
- Communications equipment, such as telephones, intercoms, heat detectors, and smoke sensors, which were not installed by the Contractor or the original elevator installer;
- Major Repairs: Any individual unit or incident of repair with a total estimated cost (labor and direct material costs) exceeding \$3,000.00 which is not covered under routine maintenance, is not covered by this contract. The Government reserves the right to determine how these repairs are to be handled. Such repairs will normally be accomplished by separate purchase order or contract. This exclusion does not apply if the repair is to correct damage caused by Contractor negligence.

9.0 INSURANCE REQUIREMENTS

9.1 Personal Injury, Property Loss or Damage (Liability). The Contractor assumes absolute responsibility and liability for any and all personal injuries or death and property damage or losses suffered due to negligence of the Contractor's personnel in the performance of this contract.

The Contractor's assumption of absolute liability is independent of any insurance policies.

9.2 Insurance. The Contractor, at its own expense, shall provide and maintain during the entire period of performance of this contract, whatever insurance is legally necessary. The Contractor shall carry the following minimum insurance:

Comprehensive General Liability

(1) Bodily Injury on or off the site stated in Philippine Currency:

Per Occurrence	₱ 50,000.00
Cumulative	₱ 100,000.00

(2) Property Damage on or off the site in Philippine Currency:

Per Occurrence	₱ 50,000.00
Cumulative	₱ 100,000.00

9.3 Worker's Compensation Insurance. The Contractor agrees to provide all employees with worker's compensation benefits as required by the laws of either the country in which the employees are working or the employee's native country, whichever offers greater benefits, following FAR 52.228-4 "Worker's Compensation and War-Hazard Insurance Overseas".

10.0 PERMITS

The Contractor shall maintain in full force and affect all permits, licenses, and appointments required for the prosecution of work under this contract at no additional cost to the Government. The Contractor shall obtain these permits, licenses, and appointments in compliance with host country laws.

11.0 LOCAL LAW REGISTRATION

If the local law or decree requires that one or both parties to the contract register the contract with the designated authorities to insure compliance with this law or decree, the entire burden of this registration shall rest upon the Contractor. Any local or other taxes which may be assessed against the contract shall be payable by the Contractor without Government reimbursement.

12.0 GOVERNMENT FURNISHED PROPERTY/EQUIPMENT

The Contractor shall physically inventory all Government furnished property in its possession. Physical inventories consist of sighting, tagging or marking, describing, recording, reporting, and reconciling the property with written records. The Contractor shall conduct these physical inventories periodically, as directed by the COR, and at termination or completion of the contract. Unless approved in advance by the Contracting Officer, personnel other than those who maintain the property records or who have custody of the property shall conduct the inventory.

13.0 QUALITY ASSURANCE AND SURVEILLANCE PLAN (QASP)

13.1 This plan provides an effective method to promote satisfactory contractor performance. The QASP provides a method for the Contracting Officer's Representative (COR) to monitor

Contractor performance, advise the Contractor of unsatisfactory performance, and notify the Contracting Officer of continued unsatisfactory performance. The Contractor, not the Government, is responsible for management and quality control to meet the terms of the contract. The role of the Government is to monitor quality to ensure that contract standards are achieved.

Performance Objective	Scope of Work Para	Performance Threshold
<u>Services.</u> Performs all services set forth in the scope of work.	1. thru 6.	All required services are performed and no more than one (1) customer complaint is received per month.

13.2 Surveillance. The COR will receive and document all complaints from Government personnel regarding the services provided. If appropriate, the COR will send the complaints to the Contractor for corrective action.

13.3 Standard. The performance standard is that the Government receives no more than one (1) customer complaint per month. The COR shall notify the Contracting Officer of the complaints so that the Contracting Officer may take appropriate action to enforce the inspection clause (FAR 52.212-4, Contract Terms and Conditions-Commercial Items), if any of the services exceed the standard.

13.4. Procedures.

13.4.1 If any Government personnel observe unacceptable services, either incomplete work or required services not being performed they should immediately contact the COR.

13.4.2 The COR will complete appropriate documentation to record the complaint.

13.4.3 If the COR determines the complaint is invalid, the COR will advise the complainant. The COR will retain the annotated copy of the written complaint for his/her files.

13.4.4 If the COR determines the complaint is valid, the COR will inform the Contractor and give the Contractor additional time to correct the defect, if additional time is available. The COR shall determine how much time is reasonable.

13.4.5 The COR shall, as a minimum, orally notify the Contractor of any valid complaints.

13.4.6 If the Contractor disagrees with the complaint after investigation of the site and challenges the validity of the complaint, the Contractor will notify the COR. The COR will review the matter to determine the validity of the complaint.

13.4.7 The COR will consider complaints as resolved unless notified otherwise by the complainant.

13.4.8 Repeat customer complaints are not permitted for any services. If a repeat customer complaint is received for the same deficiency during the service period, the COR will contact the Contracting Officer for appropriate action under the Inspection clause.

14.0 TRANSITION PLAN

Within fifteen (15) calendar days after contract award, the Contracting Officer may request that the contractor develop a plan for preparing the contractor to assume all responsibilities for services defined in Section 1 - DESCRIPTION/SPECIFICATION/WORK STATEMENT. The plan shall establish the projected period for completion of all clearances of contractor personnel, and the projected start date for performance of all services required under this contract. The plan shall assign priority to the selection of all supervisors to be used under the contract.

15.0 NON-COMPLIANCE WITH CONTRACT REQUIREMENTS

In the event the Contractor, after receiving written notice from the Contracting Officer of non-compliance with any requirement of this contract, fails to initiate promptly such action as may be appropriate to comply with the specified requirement within a reasonable period of time, the Contracting Officer shall have the right to order the Contractor to stop or suspend any or all work under the contract until the Contractor has complied or initiated such action as may be appropriate to comply within a reasonable period of time. The Contractor will not be entitled to any extension of contract time or payment for any costs incurred as a result of being ordered to stop work for such a cause.

652.206-70 COMPETITION ADVOCATE/OMBUDSMAN (AUG 1999) (DEVIATION)

The Department of State's Competition Advocate is responsible for assisting industry in removing restrictive requirements from Department of State solicitations and removing barriers to full and open competition and use of commercial items. If such a solicitation is considered

competitively restrictive or does not appear properly conducive to competition and commercial practices, potential offerors are encouraged to first contact the contracting office for the respective solicitation. If concerns remain unresolved, contact the Department of State Competition Advocate on (703) 516-1696, by fax at (703) 875-6155, or write to:

Competition Advocate
U.S. Department of State
A/OPE
SA-15, Room 1060
Washington, DC 20522-1510

- (a) The Department of State's Acquisition Ombudsman has been appointed to hear concerns from potential offerors and contractors during the pre-award and post-award phases of this acquisition. The role of the ombudsman is not to diminish the authority of the Contracting Officer, the Technical Evaluation Panel or Source Evaluation Board, or the selection official. The purpose of the ombudsman is to facilitate the communication of concerns, issues, disagreements, and recommendations of interested parties to the appropriate Government personnel, and work to resolve them. When requested and appropriate, the ombudsman will maintain strict confidentiality as to the source of the concern. The ombudsman does not participate in the evaluation of proposals, the source selection process, or the adjudication of formal contract disputes. Interested parties are invited to contact the contracting activity ombudsman, *Joni Scandola* at (632)301-2000. For a U.S. Embassy or overseas post, refer to the numbers below for the Department Acquisition Ombudsman. Concerns, issues, disagreements, and recommendations which cannot be resolved at a contracting activity level may be referred to the Department of State Acquisition Ombudsman at (703) 516-1696, by fax at (703) 875-6155, or write to:

SECTION 4 - EVALUATION FACTORS

Award will be made to the lowest priced, acceptable, responsible quoter. The quoter shall submit a completed solicitation, including Sections 1 and 5.

The Government will perform an initial review of quotations received to determine compliance with the terms of the solicitation. The Government may reject as unacceptable quotations which do not conform to the solicitation.

Technical Acceptability. Technical acceptability will include a review of past performance and experience as defined in Section 3, along with any technical information provided by the offeror with its proposal/quotation.

The Government reserves the right to reject offers that are unreasonably low or high in price.

The lowest price will be determined by multiplying the offered prices times the estimated quantities in "Prices - Continuation of SF-1449, block 23", and arriving at a grand total, including all options, if any.

The Government will determine quoter acceptability will be determined by assessing the quoter's compliance with the terms of the RFQ.

The Government will determine quoter responsibility by analyzing whether the apparent successful quoter complies with the requirements of FAR 9.1, including:

- Adequate financial resources or the ability to obtain them;
- Ability to comply with the required performance period, taking into consideration all existing commercial and governmental business commitments;
- Satisfactory record of integrity and business ethics;
- Necessary organization, experience, and skills or the ability to obtain them;
- Necessary equipment and facilities or the ability to obtain them; and
- Be otherwise qualified and eligible to receive an award under applicable laws and regulations.

ADDENDUM TO EVALUATION FACTORS FAR AND DOSAR PROVISION(S) NOT PRESCRIBED IN PART 12

The following FAR provision(s) is/are provided in full text:

52.217-5 EVALUATION OF OPTIONS (JUL 1990)

The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. Evaluation of options will not obligate the Government to exercise the option(s).

SECTION 5 - REPRESENTATIONS AND CERTIFICATIONS

52.212-3 OFFEROR REPRESENTATIONS AND CERTIFICATIONS – COMMERCIAL ITEMS (MAR 2015)

The Offeror shall complete only paragraph (b) of this provision if the Offeror has completed the annual representations and certification electronically via the System for Award Management (SAM) website accessed through <http://www.acquisition.gov>. If the Offeror has not completed the annual representations and certifications electronically, the Offeror shall complete only paragraphs (c) through (p) of this provision.

(a) Definitions. As used in this provision-

“Economically disadvantaged women-owned small business (EDWOSB) concern” means a small business concern that is at least 51 percent directly and unconditionally owned by, and the management and daily business operations of which are controlled by, one or more women who are citizens of the United States and who are economically disadvantaged in accordance with 13 CFR part 127. It automatically qualifies as a women-owned small business eligible under the WOSB Program.

“Forced or indentured child labor” means all work or service-

(1) Exacted from any person under the age of 18 under the menace of any penalty for its nonperformance and for which the worker does not offer himself voluntarily; or

(2) Performed by any person under the age of 18 pursuant to a contract the enforcement of which can be accomplished by process or penalties.

“Highest-level owner” means the entity that owns or controls an immediate owner of the offeror, or that owns or controls one or more entities that control an immediate owner of the offeror. No entity owns or exercises control of the highest level owner.

“Immediate owner” means an entity, other than the offeror, that has direct control of the offeror. Indicators of control include, but are not limited to, one or more of the following: ownership or interlocking management, identity of interests among family members, shared facilities and equipment, and the common use of employees.

“Inverted domestic corporation”, means a foreign incorporated entity that meets the definition of an inverted domestic corporation under 6 U.S.C. 395(b), applied in accordance with the rules and definitions of 6 U.S.C. 395(c).

“Manufactured end product” means any end product in product and service codes (PSCs) 1000-9999, except-

- (1) PSC 5510, Lumber and Related Basic Wood Materials;
- (2) Product or Service Group (PSG) 87, Agricultural Supplies;

- (3) PSG 88, Live Animals;
- (4) PSG 89, Subsistence;
- (5) PSC 9410, Crude Grades of Plant Materials;
- (6) PSC 9430, Miscellaneous Crude Animal Products, Inedible;
- (7) PSC 9440, Miscellaneous Crude Agricultural and Forestry Products;
- (8) PSC 9610, Ores;
- (9) PSC 9620, Minerals, Natural and Synthetic; and
- (10) PSC 9630, Additive Metal Materials.

“Place of manufacture” means the place where an end product is assembled out of components, or otherwise made or processed from raw materials into the finished product that is to be provided to the Government. If a product is disassembled and reassembled, the place of reassembly is not the place of manufacture.

“Restricted business operations” means business operations in Sudan that include power production activities, mineral extraction activities, oil-related activities, or the production of military equipment, as those terms are defined in the Sudan Accountability and Divestment Act of 2007 (Pub. L. 110-174). Restricted business operations do not include business operations that the person (as that term is defined in Section 2 of the Sudan Accountability and Divestment Act of 2007) conducting the business can demonstrate-

- (1) Are conducted under contract directly and exclusively with the regional government of southern Sudan;
- (2) Are conducted pursuant to specific authorization from the Office of Foreign Assets Control in the Department of the Treasury, or are expressly exempted under Federal law from the requirement to be conducted under such authorization;
- (3) Consist of providing goods or services to marginalized populations of Sudan;
- (4) Consist of providing goods or services to an internationally recognized peacekeeping force or humanitarian organization;
- (5) Consist of providing goods or services that are used only to promote health or education; or
- (6) Have been voluntarily suspended.

“Sensitive technology”-

- (1) Means hardware, software, telecommunications equipment, or any other technology that is to be used specifically-
 - (i) To restrict the free flow of unbiased information in Iran; or
 - (ii) To disrupt, monitor, or otherwise restrict speech of the people of Iran; and

- (2) Does not include information or informational materials the export of which the President does not have the authority to regulate or prohibit pursuant to section 203(b)(3) of the International Emergency Economic Powers Act (50 U.S.C. 1702(b)(3)).

“Service-disabled veteran-owned small business concern”-

- (1) Means a small business concern-
- (i) Not less than 51 percent of which is owned by one or more service-disabled veterans or, in the case of any publicly owned business, not less than 51 percent of the stock of which is owned by one or more service-disabled veterans; and
 - (ii) The management and daily business operations of which are controlled by one or more service-disabled veterans or, in the case of a service-disabled veteran with permanent and severe disability, the spouse or permanent caregiver of such veteran.
- (2) Service-disabled veteran means a veteran, as defined in 38 U.S.C. 101(2), with a disability that is service-connected, as defined in 38 U.S.C. 101(16).

“Small business concern” means a concern, including its affiliates, that is independently owned and operated, not dominant in the field of operation in which it is bidding on Government contracts, and qualified as a small business under the criteria in 13 CFR Part 121 and size standards in this solicitation.

“Small disadvantaged business concern”, consistent with 13 CFR 124.1002, means a small business concern under the size standard applicable to the acquisition, that-

- (1) Is at least 51 percent unconditionally and directly owned (as defined at 13 CFR 124.105) by-
- (i) One or more socially disadvantaged (as defined at 13 CFR 124.103) and economically disadvantaged (as defined at 13 CFR 124.104) individuals who are citizens of the United States; and
 - (ii) Each individual claiming economic disadvantage has a net worth not exceeding \$750,000 after taking into account the applicable exclusions set forth at 13 CFR 124.104(c)(2); and
- (2) The management and daily business operations of which are controlled (as defined at 13.CFR 124.106) by individuals, who meet the criteria in paragraphs (1)(i) and (ii) of this definition.

“Subsidiary” means an entity in which more than 50 percent of the entity is owned-

- (1) Directly by a parent corporation; or
- (2) Through another subsidiary of a parent corporation.

“Veteran-owned small business concern” means a small business concern-

- (1) Not less than 51 percent of which is owned by one or more veterans (as defined at 38 U.S.C. 101(2)) or, in the case of any publicly owned business, not less than 51 percent of the stock of which is owned by one or more veterans; and
- (2) The management and daily business operations of which are controlled by one or more veterans.

“Women-owned business concern” means a concern which is at least 51 percent owned by one or more women; or in the case of any publicly owned business, at least 51 percent of its stock is owned by one or more women; and whose management and daily business operations are controlled by one or more women.

“Women-owned small business concern” means a small business concern-

- (1) That is at least 51 percent owned by one or more women; or, in the case of any publicly owned business, at least 51 percent of the stock of which is owned by one or more women; and
- (2) Whose management and daily business operations are controlled by one or more women.

“Women-owned small business (WOSB) concern eligible under the WOSB Program” (in accordance with 13 CFR part 127), means a small business concern that is at least 51 percent directly and unconditionally owned by, and the management and daily business operations of which are controlled by, one or more women who are citizens of the United States.

- (b)(1) Annual Representations and Certifications. Any changes provided by the offeror in paragraph (b)(2) of this provision do not automatically change the representations and certifications posted on the SAM website.
- (2) The offeror has completed the annual representations and certifications electronically via the SAM website accessed through <http://www.acquisition.gov>. After reviewing the SAM database information, the offeror verifies by submission of this offer that the representations and certifications currently posted electronically at FAR 52.212-3, Offeror Representations and Certifications-Commercial Items, have been entered or updated in the last 12 months, are current, accurate, complete, and applicable to this solicitation (including the business size standard applicable to the NAICS code referenced for this solicitation), as of the date of this offer and are incorporated in this offer by reference (see FAR 4.1201), except for paragraphs _____.

[Offeror to identify the applicable paragraphs at (c) through (p) of this provision that the offeror has completed for the purposes of this solicitation only, if any.

These amended representation(s) and/or certification(s) are also incorporated in this offer and are current, accurate, and complete as of the date of this offer.

Any changes provided by the offeror are applicable to this solicitation only, and do not result in an update to the representations and certifications posted electronically on SAM.]

(c)- (h) RESERVED

- (i) Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126). [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at .]
